GOLFING FOR GIRLS

LivingHerLegacy.org

Our first golf tournament for Living Her Legacy - Golfing for Girls on May 19th was well received! We received great input from many participants. The golfers who visited with me said it was a great event and they look forward to next year.

Leo, the Mariana Butte Golf Pro complimented us on how well our 1st golf tournament was organized. We do appreciate his assistance and his staff's support of our event and our golfers.

We will have an ad in the Coloradoan Sunday June 4th to thank our players, sponsors and volunteers. Please look for it either in print or online. We could not have done everything without our wonderful volunteers: Samantha, Rhonda, Erika, Franci, Shelia, Judy, Sharon, Taylor, Sherry, Jacqueline, Vicki, Phuong, Sherre, Sue and Gabby

You can also visit our website to see photos of our golf tournament:
<https://www.livingherlegacy.org/photo-gallery>.

We hosted our first free golf lessons for 5th grade girls at the end of our tournament. We had 4 girls participate and they truly enjoyed themselves. You can see their photo with our BackSwing golf pro, Bryce, who taught the golf lesson for us, also on the link above.

We are in the process of setting up our 5th grade role model art workshops for the summer with our nonprofit partners: Boys and Girls Club, Northside Aztlan Community Center and the Matthews House.

We are very excited to share that we have been approved by the Poudre School District Title I Program Coordinator to begin offering after school programs this Fall in Title I elementary schools. We have the following artistic volunteers to help with these programs: Penny, Renee, and Kara. Do you know anyone interested in art that might enjoy partnering with us for art or any type of volunteering? Send them our volunteer link: [Click here](https://livingherlegacy.dm.networkforgood.com/forms/volunteer-interest-living-her-legacy) - or use the link below:
