

COMMITTED TO BUILDING OUR COMMUNITY

April 2022

To Our Community Partners,

In an effort to further our community impact, we are hosting our first-ever charity golf tournament. This tournament will be held on May 20, 2022 and will be the first in a brand new tournament series called, the **NoCO Tour de Golf**.

The profits from our tournament, hosted on May 20, will be donated to supporting the instrumental programs and services of two incredible non-profit organizations in Fort Collins, CO. They are:

- **Living Her Legacy** - Living Her Legacy's movement is to inspire girls and young women of today and the future by recognizing the accomplishments of forty-eight women with ties to Northern Colorado with a beautiful, high visibility permanent, public, outdoor, historic art / education exhibit featuring their portraits and educational programming specifically designed for students of all ages.
- **Hope Lives!** - Adds quality of life to breast cancer patients by offering integrative support services and products that help manage the physical, emotional, social & financial side effects of breast cancer treatment.

The **NoCO Tour de Golf** was created as a fundraising effort between Sprague Roofing & Exteriors, Living Her Legacy, and Hope Lives! to bring a brand new golfing experience to the generous donors of the Front Range. Sprague's golf tournament will be the first to play, on May 20, 2022, but sponsors and players alike will have the opportunity to continue their support throughout the year at the September 12, 2022 tournament hosted by Hope Lives! and the October 17, 2022 tournament hosted by Living Her Legacy.

As a special treat, sponsors who support all three tournaments and players who register to play in all three tournaments, will be entered to win a one-of-a-kind Colorado Golf Getaway to Telluride, Durango or Grand Junction. The winners of these three special trips will be announced on October 18, 2022.

Today, I'm writing you to ask if you can support the amazing work these organizations are doing, by joining us as a tournament sponsor. I've included the sponsor tiers on the following page, and while we believe we've thought of everything, if you see another way to get involved, please reach out to me directly and we will make that happen. We appreciate your consideration, and look forward to seeing you out on the greens!
